PARTNERSHIP

NIGHTMARE ON FRONT STREET

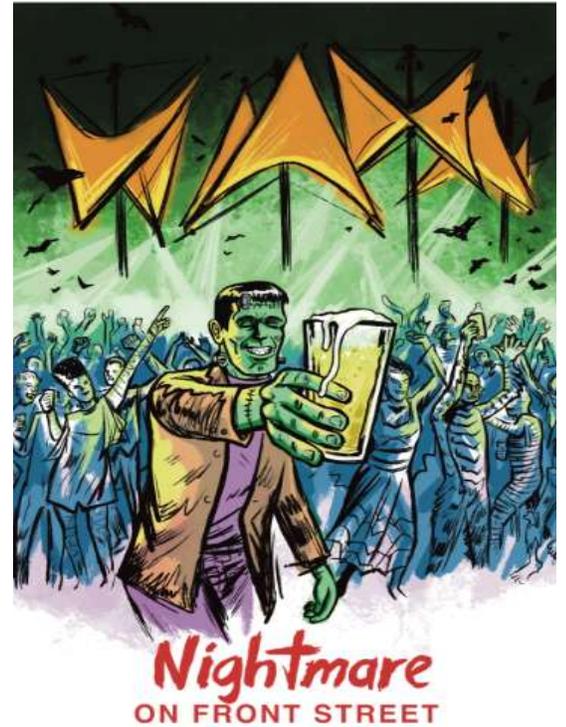

a Halloween craft beer and art festival

Sponsorship Levels & Benefits

Sunday, October 31, 2021 | 12-5pm

Hosted by the Downtown Cuyahoga Falls Partnership

Location: Downtown CF Plaza & Pavilion

One of the ways you can support the Downtown Cuyahoga Falls Partnership (DTCF) and our efforts to revitalize downtown is through event sponsorship. The DTCF Partnership works to revitalize historic Downtown Cuyahoga Falls and its Riverfront through community and economic development.

Our communication tactics for this event will include: press release, e-blasts, event signage, event program, recognition at the event, post-event story and e-newsletter, social media, website, and event summary in our annual report.

Nightmare on Front Street is the inaugural signature fundraising event benefiting DTCF Partnership, a 501C3 non-profit organization. This is an indoor and outdoor event in the heart of our downtown. This 5-hour craft beer and art festival is taking place on the plaza, amphitheater and within the pavilion in downtown Cuyahoga Falls. We will have Ohio breweries, live entertainment, local vendors, costume contest, prizes, and more! We are adding details to this event weekly. Check our website for the latest and greatest [HERE](#). Your sponsorship donation goes towards the cost of this event and used for downtown beautification, public art, payment of local collaborations, events, and much more!

Contact Kaylee Piper at kaylee@downtowncf.com or 330-267-9788 to claim your sponsorship.
